

**PROTECTIVE INVESTMENTS IN HIGHLY PROFITABLE PROJECTS**

### Project №1461

#### **Sale of a share in the Marketplace business (expansion of activities)**

**Description:** The author of the project plans to sell **10%** of the business for **\$5 million** to expand its activities to provide B2B e-commerce services for the food market, distributors, dealers and retail and wholesale entrepreneurs. The author of the project invested **\$1 552 000** to open **11 branches** in Tashkent, Andijan and Namangan regions and establish logistics for the delivery of products.

In 2022, the trade turnover in the amount of **\$6 111 561**. By the end of 2023, it is planned to reach **\$16 965 033**.

According to the plan, in 2023 there will be a large-scale opening of many branches throughout Uzbekistan.

The author of the project studied the market and found out that this business model is applicable not only in Uzbekistan, but also in neighboring Kyrgyzstan, Kazakhstan, Tajikistan and Turkmenistan. It's a modern IT take on distribution, as it is on all industries.

Providing more than 600 types of sales to category C stores, cafes, restaurants and offices at a wholesale price within two hours with its free logistics service. Project implementation period after attracting investments: **1 month**.

Required amount of investment: **\$5 000 000**

Annual net profit: **\$7 271 860**

Profitability of investment capital: **30%**

Project author's investment: **\$1 552 000**
